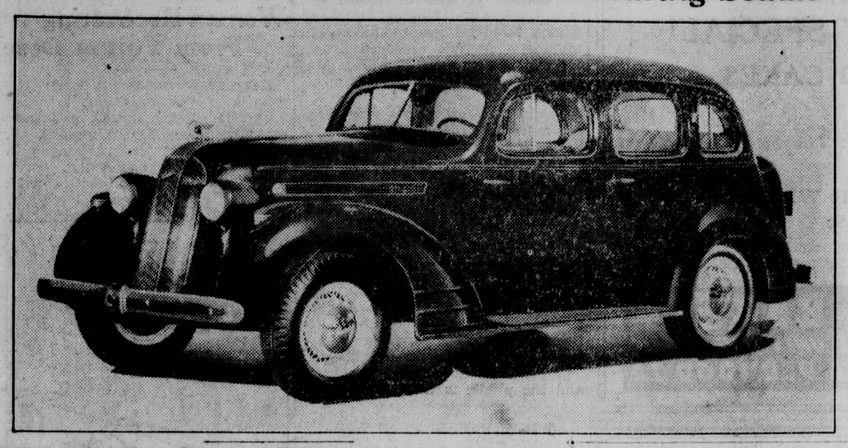
BARGAIN DAYS HERE TODAY AND SATURDAY

1935 Pontiac De Luxe Six 4-door Touring Sedan



Howards Open Pontiac Agency At Main and Maple Streets

Announcement of the appointment of the Howard Buick Company as Pontiac dealers for Redwood City was made here today by Elmer J. Keough, manager of the firm.

The agency will be located at 1102 Main street at Maple street in the Strand and Brain garage, where complete sales and service facilities will be available to both old and new owners of Pontiac cars.

The 1935 models are now on display at the showrooms and the public is cordially invited to see them.

W. R. Bonham, well-known peninsula automotive man, will be the representative of the Howard Company here. Mr. Bonham has been in the automobile business for the past 15 years and until recently was associated with the Packard Motor Car Company.

Before coming to Redwood City, Mr. Bonham was also an executive officer and organizer of a leading bank in Southern United States and for some time was interested in the manufacture of automobile accessories.

The 1935 Pontiac, according to Mr. Keough, general sales manager, presents a low priced six cylinder car as well as the eight and is distinctive in many features. The sales records for the peninsula are breaking all records, the Howard Company reports, with 26 cars sold during January in San Mateo county, which indicates the popularity of the new models.

The Howard Buick Company was established in San Mateo county in 1927 under the direction of Lindsay and Charles Howard and has grown to be one of the largest automotive firms on the peninsula, employing 25 people.

In Burlingame they operate a complete garage featuring repairing, greasing, washing, upholstering, painting and every phase of automobile work.

Strand and Brain will be the authorized service depot for the firm in Redwood City.

Mr. Keough joined the organization in 1929 as salesmanager and since that time has won many honors for sales records established.

Memorial Park Work Projects Given Approval

Three work projects for San Mateo County Memorial Park at Pescadero had the approval Monday of the board of supervisors.

The sum of $41,760 will be spent on two sewer projects, and $19,435 will be expended under SERA supervision on the construction of an administration building.

Other projects approved today by the board included $77,298 for the Belmont County Water District; $12,685 for widening the channel in San Francisquito creek from the Bayshore northward; $847 for the Ravenswood School grounds, and $106 for the Redwood City public library.

A new type of anesthetic is applied by injection into the blood stream.

Sets Scotty Allan Dog Food Sales Record

Joe Territo, owner of Territo's Market, Redwood City, has sold more Scotty Allan's Dog Food than any other retail merchant. The reason? Joe says, "When you have a real good product, display it, talk it and you sell it. Then the customers keep coming back for it and you sell them other food also."

RETAILERS HERE READY FOR HUGE SALES EVENT

Stocks Replete, Sales Forces Increased For Event

With spring already in the air and 1935 merchandise selling at a rapid pace, Redwood City merchants today tacked up brillaint orange and black window signs heralding semi-annual "Bargain Days" for Friday and Saturday.

Although prices are going up with the increased demand, stocks for this important retail event have been purchased far ahead of time and will be sold at sensationally low prices.

Stores are preparing for what gives promise of being two of the heaviest shopping days in the history of the community.

"The people want bargains and they are going to get them," is the statement made today by P. A. Ryan, president of the Retail Merchants' Division of the chamber of commerce.

"We are out to show the people of the peninsula that Redwood City is the shopping center and that here they will find the greatest variety and the lowest prices, consistent with good quality," he stated.

Sales forces have been increased and show windows and stores have been decorated for the event. Extra efforts have been put back of the two-day bargain carnival to satisfy everyone.

The sale days have been extensively advertised throughout the peninsula and hundreds of shoppers from outside communities are expected to join local residents in the quest for bargains.

In tonight's Tribune many merchants present the bargains that they are offering; it will pay you to read every "ad" carefully.

SNOW FLAKE WEEK BEING OBSERVED

This is Snow Flake Week all over the Pacific Coast. . . February 1 to 8. No, we are not commenting on the weather, but upon an annual event in connection with the crisp, oven-fresh Snow Flakes produced by the "Uneeda Bakers."

You'll see regular flurries of them in grocery stores this week. The event is being advertised exclusively in The Tribune as the start-off of a new spring advertising campaign.

Snow Flakes are the product of a great western industry. "Uneeda Bakers" make these delicacies in huge bakeries located in seven major cities of the west. In these bakeries are employed hundreds of westerners. Because there is always a "Uneeda Bakers" plant nearby, Snow Flakes are able to reach every Pacific Coast home oven-fresh in their double wax-wrapped red package.

Snow Flake Week is a time-honored annual event when local grocers feature these salted wafers at attractive prices to extend the natural interest of housewives in the merits of cracker cookery and other uses of this staple delicacy . . . with soups, salads, desserts, cheese, canapes, hors d'ouvres and countless other dishes.

PASTEURIZATION TO BE MENU TOPIC

Dr. J. C. Geiger, San Francisco director of public health, will discuss the advisability of artificially providing all market milk with the sunshine vitamin D, in an interview with Joan Andrews on the KPO Menu Flashes program next Friday morning at 10 o'clock.

The importance of milk pasteurization to public health and the relationship between milk consumption and civilization will be other topics of his broadcast. Miss Andrews will, as usual, have timely recipes and market tips for her listeners.

Clara B. Dills Is Re-Appointed To Library Post

Miss Clara B. Dills, San Mateo county librarian, was reappointed to the post Monday by the board of supervisors. She was widely endorsed.

The appointment was made upon motion of Supervisor Walter High, Burlingame, and confirmed unanimously on second of Supervisor Albert Witt, Colma.

Mayor Lauds Merchants' Sales Event

In a proclamation issued today to the committee in charge of the 12th semi-annual Bargain Days to be held in Redwood City tomorrow and Saturday, Mayor Charles G. Lambert issued the following statement urging residents to take advantage of the event.

"I believe that this will be a great opportunity for the general public to realize that this community has so many fine stores. These stores are making an effort for 'Bargain Days' that will win appreciation and admiration from the most inveterate shopper, for each store in friendly rivalry will do its utmost in display of merchandise and offerings of exceptional values to surpass any previous demonstration of Redwood City's merchandising facilities and advantages."

(Signed) Charles G. Lambert,
Mayor of Redwood City.

Buford Brown Of Stanford Kills Himself

Journalism Teacher Had Planned Visit To Redwod City

Prof. Buford O. Brown, assistant professor of journalism at Stanford University who disappeared from his home yesterday afternoon, was found dead near Saratoga Tuesday, evidently a suicide from monoxide generated by his automobile.

Authorities at Saratoga communicated with the sheriff's office at San Jose when the body was found in the automobile. Deputy sheriffs said identification was made through cards found in the man's pockets and by a sealed letter addressed to Mrs. Brown.

Deputies reported to the San Jose sheriff's office that a tubing had been run from the motor's exhaust into the sedan.

Professor Brown had left his campus home at 613 Salvatierra street Monday afternoon around 2 o'clock, bound for Redwood City, Los Gatos and Santa Cruz, where he planned to confer with newspaper executives, he told Mrs. Brown.

ILL WITH FLU

Prof. Charles Moser, who was a luncheon guest at the Brown home Sunday, said he admonished Professor Brown not to remain away any longer than necessary, because of his physical condition resulting from an attack of influenza from which he had just recovered.

Professor Brown did not visit The Tribune here as he had said he intended to, nor is there any record of his having called at newspaper offices in Los Gatos or Santa Cruz.

When he failed to return home last night the family became alarmed, fearful that he had suffered some mishap. At 8:30 Mrs. Brown called Dr. Chilton R. Rush, journalism department head, and then called campus officers.

FAMILY AT LOSS

Representatives of the family could assign no reason for Mr. Brown's suicide. Only last Sunday he discussed with animation faculty plans with Professor Bush.

It was known, however, that Professor Brown had been disappointed when Dr. Bush was called in from another university to become head of the department when Prof. Everett Smith died more than a year ago, and that this had troubled him.

That he had planned to commit suicide was evidenced this afternoon when a will, written on a scrap of paper, was found among his effects at his home. He provided for transfer of his property to his wife and made arrangements for funeral expenses. The will was dated January 23.

SWEETHEARTS OF THE SCREEN

Dick Powell and Josephine Hutchinson, the new star team of "Happiness Ahead," playing at the Sequoia Theater Friday and Saturday, with a continuous show Saturday starting at 1:30 p. m. Also on the same bill are Rex Bell and Ruth Mix in "Tonto Kid."

Impromptu Talks Are Freely Given By Toastmasters

Redwood City Toastmasters had what they considered the outstanding program thus far put on by the club Monday evening.

At the beginning of the meeting B. E. Myers, president of the club, announced that in the evening's program would be two impromptu talks by Perry Bygdnes and Paul Reimer, and that they could choose their own subjects. Not taken back by this surprise move they "produced," in style of well-finished speakers. Bygdnes spoke on, "How Banking Originated," and Reimer on, "Telegraphy as a Language."

Lester E. Wolbert spoke on, "Electricity, a Servant and a Master." Eugene Daneri in an instructive talk on public speaking took the subject, "Action and What Kind of Action." Fred A. Schmitz gave an informative talk on Germany in, "Adolf Hitler: the Product of a Nation in Delirium."

Louis B. Dematteis was toastmaster for the meeting, with Duncan Reynard as member critic. Vergil A. Anderson of the public speaking department of Stanford University was in charge of the last ten minutes of the meeting, at which time he gave the men many helpful suggestions.

Youth to Answer On Attack Charge

Mike Muscatello, Burlingame youth accused of criminally attacking Nora Lee Rice of San Francisco, must answer to superior court on charges of assault, battery and a statutory offense, Justice of the Peace H. Wade Clay decdied Monday afternoon at the youth's arraignment. Preliminary hearing was waived.

Sheriff's officers are still searching for Muscatello's companion at the time of the alleged attack, believed to be Thomas Olmo.

A Santa Cruz contractor has equipped his wheel barrows with pneumatic tires.

Freeholders' Amendments Put on Table

Ferrell Advises Board Not to Take Hasty Step on Charter

Delay in the naming of a study committee to correct charter defects as proposed to the board of supervisors for consideration by District Attorney Gilbert Ferrell was taken Monday.

The board also took no action on three proposed charter amendments which 10 members of the former board of freeholders headed by James B. Howell of Atherton had submitted.

Ferrell advised the board to proceed with caution and suggested that a study committee be appointed to go into the question of correcting faults in the existing charter.

He advised against hasty acceptance of amendments proposed by the former freeholders or any groups.

Supervisor Albert Witt, Colma, remarked that he did not believe the matter should be put up to the same men "who made the original mistakes."

Supervisor John Poole, Redwood City, said he believed the people should at some future date say whether or not they wanted the charter to be continued and what amendments were desired. He said this should be undertaken by petition of the people and not by initiative of the board.

The amendments, which call for reviving the qualification board, enlarging of the health board to seven members and giving it executive capacity, and making final board dismissals of appointive officers, were drafted by Attorneys George K. Whitworth and Arthur Redington at the request of the freeholders.

Supervisors Oppose State Road Control

Board Sees Dangers To Rural Areas In Proposal

Opposition to the state taking over all San Mateo county roads, as proposed before the state legislature and supported by Governor Frank Merriam, was voiced Monday by the San Mateo County Board of Supervisors because of fear that rural roads would suffer.

Citing the Alpine road's condition, Supervisor Albert Witt, Colma, said that if that is an example of state control of secondary roads, he did not wish any more of it.

Supervisor Fred Beer, San Mateo, sought at first to have the board delay its action, reading of San Francisco paper's editorial which supported the plan and declared that the state could do a better and cheaper job than the county.

Reference in the article to the expected opposition of supervisors because the plan would interfere with using road moneys to further themselves politically brought amusement to the local board.

CENTRAL CONTROL NOW

The board members asserted that the conditions were not true of San Mateo county because of the centralized control under the charter.

Beer's position was that the proposal in its present form is too vague to decide its merits.

Supervisor John Poole, Redwood City, who seconded Supervisor Witt's motion opposing the plan, did so because he did not believe areas such as North Fair Oaks, Dumbarton Oaks would have much weight before the state in their pleas because they were off the main highways.

The proposed bill now before legislature would increase the cities' share of the gasoline tax from ¼ to ½ or 3/8 of a cent at the county's expense, it was held.

Such legislation would create a state-wide political machine, it was believed by various county boards, and would work a hardship on the agricultural areas.

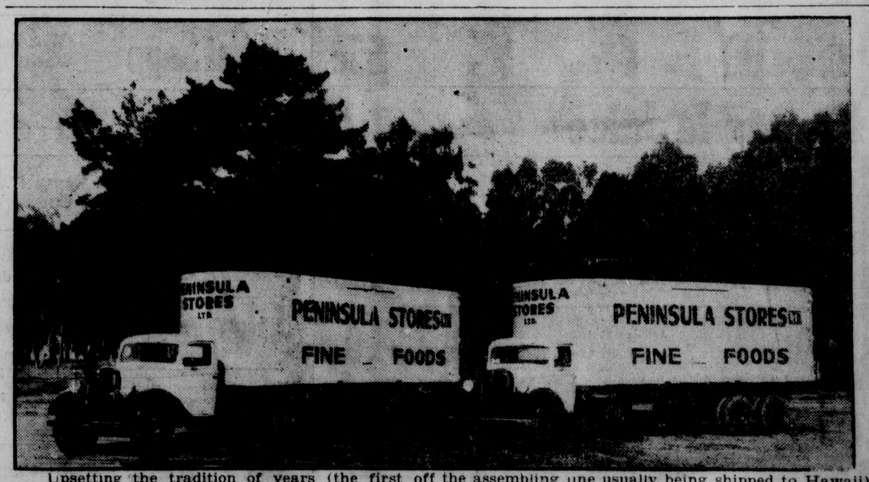
If the bill passes the legislature, the supervisors' association is expected to initiate a referendum movement when it meets in February.

Mrs. Enyart, 86, Passes at Home In Redwood City

Following a period of declining health, Mrs. Rebecca J. Enyart, 86, widow of the late Rev. Allen Enyart, passed away early Sunday morning at the home of her son, Edwin Enyart, on Beresford avenue here. She had resided in Redwood City for the past three years. She was a native of Gentry, Ill.

Mrs. Enyart is survived by two daughters, Mrs. Josephine Dykes of Delhi, Calif., and Mrs. Mary C. Hopping, a resident of the North Fair Oaks tract, and by two sons, Arthur Enyart of Menlo Park and Edwin Enyart of this city. She was the mother of the late Milton O. Enyart and Mrs. Olive B. Pettit.

She also leaves eight grand children and 15 great grand children.



Upsetting the tradition of years (the first off the assembling line usually being shipped to Hawaii), the two mammoth streamlined Ford V-8 15-ton trucks, pictured above, were the first of the 1935 line to be assembled at the Richmond Ford plant and rushed to the Peninsula Stores Ltd., local grocery organization. Capable of carrying a 16-ton pay load, the new trucks are the last word in modern transportation. Each truck hauls over 200 tons of merchandise weekly to the 16 stores of the company. When empty the truck and trailer weigh 12,500 pounds. "Because they are able to obtain a cruising speed of 45 miles per hour, we selected the new Fords to give rapid service to our various stores," stated Charles Crouch, president and general manager of Peninsula Stores Ltd.

White and black pepper grow on the same vine. Pepper, incidentally, was worth its weight in gold during the Middle Ages, when some people used it as a medium of exchange. Portugal was led to seek a new route to the Indies because of a lack of the commodity.

Don't Get Up Nights

Use Juniper Oil, Buchu Leaves, Etc.

Flush out excess acids and waste matter. Get rid of bladder irritation that causes waking up, frequent desire, scanty flow, burning and backache. Make this 25c test. Get juniper oil, buchu leaves, etc., in little green tablets called Bukets, the bladder laxative. In four days if not pleased your druggist will return your 25s. Young Drug Co.

Bakers' Code Wins Board's Attention

New study to the proposed bakers' code for sanitary handling of bakery products was ordered today by the board of supervisors at the request of F. W. Fickheisen of Burlingame on behalf of the Master Bakers of San Mateo County.

The measure is one similar to the milk ordinance in intent, and proposes to protect the local bakers against San Francisco competition.

Hirsch Jacobs, youthful New Yorker, had won 118 horses races by late October to lead all other jockeys in wins.

Smith College, girls' school, has a student "fire captain" in each building and an aide to her for each corridor.

Court House Annex To Be Given Study

In order to make a study of the proposed courthouse wing and other necessary county improvement projects, the board of supervisors today named the planning commission, County Executive Walter Kellogg and County Engineer Carl Scott as a committee to make a study of various proposals.

The matter was called to the board's attention by Hugh Pomeroy, who said that action is necessary at once if the county is to share in the federal public works program. Supervisor Albert Witt, Colma, said he believed the courthouse wing project should be kept alive so that it might be submitted to the voters if there is a special election.

Washington, D. C., socialites are often models for dress establishments.

MENLO PARK

On Wednesday afternoon, February 6, at 2 p. m. in Masonic Hall, Menlo Park, Menlo Park N. D. G. W. will give the first of a series of afternoon card parties. Score cards will be 25 cents.

Mr. and Mrs. Lloyd Douglas of Menlo Park announce the engagement of their daughter, Marion Lucile, to David Charles Fraser, San Francisco business man. The wedding is planned for June.

Miss Max Leona Anderson, former Menlo Park girl, has returned to Hollywood after a visit on the peninsula with Miss Florence McCormick. She came up for the Spinsters' Ball. Miss Anderson recently abandoned her Stanford career to go into the movies.

On Tuesday, January 22, American Legion Auxiliary No. 443 held initiation for a class of five candidates in Legion Hall on Oak Grove avenue. The San Mateo County Council Degree Team officiated under the leadership of Captain "Bee" Cangros. Members initiated were Madge Ryan, Josephine McCleary, Mary Lynn McCleary, Lorraine McCleary and Betty Ellis.

W. H. Weeden spoke at a luncheon meeting of the police officers' association in Los Gatos Thursday. Mr. Weeden is an active member.

The Menlo Park P. T. A. held a card party Thursday afternoon at the home of Mrs. Earl Eastep.

Thomas J. Casey of Menlo Park was called to headquarters for physical examination for the position of athletic director for C. C. C.

Mrs. Nellie Fletcher and her sister, Mrs. Mabel Owens, were hostesses to a group of friends in Atherton Thursday evening.

Mr. and Mrs. G. F. Ballou have moved to North Palo Alto. They formerly resided on Watkins avenue.

Mrs. W. H. Weeden, her daughter, Isabelle Weeden Lindquist, and Mrs. Lindquist's children, Billy and Emma Roberta, spent Tuesday in Monterey visiting relatives.

Mayor Aylett Cotton of San Mateo was a Menlo Park visitor on Wednesday.

Graduation exercises were held in Central School Auditorium for a class of 16 on Friday, Jan. 25.

The young people of the Presbyterian Church had a "Young People's Day" program in the assembly hall adjoining the church Sunday evening.

On Tuesday, February 12, at 8 p. m. the local post and unit of the American Legion will present an unusual program to the public. The principal feature of the evening will be the lecture by Frank Griffin of Sequoia high school who will speak on Russia. There will be no admission charge and the public is urged to attend.

LAST RITES PLANNED

DALY CITY, Jan. 29.—Funeral services for Mrs. Katherine Emhoff, who died here Sunday, will be held at 1:30 p. m. tomorrow from the United German M. E. Church in San Francisco.

Nearly 400 kinds of cactus were presented the City of Pueblo, Colo., many from foreign countries, by B. F. Scribner.

141 New Students Swell Attendance At Sequoia High

Swelling attendance to more than 1350, a total of 141 new students registered at Sequoia high school Monday.

Of these, 129 were new freshmen from the local district; 4 were freshmen who have just moved here; 1 was a sophomore transfer; 2 were juniors; 2 were seniors and 3 were post graduates.

Altogether a total of 1540 students have registered at Sequoia this year, but 187 have dropped out, transferred, or are included in the 22 students expected to have completed their work at the end of the first semester. A complete list of those who graduated at mid-term is expected to be revealed within a few days.

Woman Recovering From Poison Dose

Apparently suffering from the effects of poison, taken in what authorities believe was a suicide attempt, Miss Mary Johnson, 27, of Moss Beach, was recovering in Community Hospital today.

Miss Johnson, authorities said, had been despondent.

WORRIED!

The itching between his toes had become irritating. Cracks in the skin had widened. Blisters appeared. Infection was threatening. *Athlete's Foot!* He had tried one thing after another. Nothing seemed to stop it. He became worried—

and then HE DISCOVERED

ŌNOX is not just another remedy for *Athlete's Foot*—it has been tested and adopted by over 60 high schools and colleges in California alone. Famous coaches endorse it. Whether you have an advanced case or just the symptoms (itching, blisters, cracks between the toes) you need ŌNOX. For ŌNOX penetrates the outer layer of the skin—ferrets out the fungus and destroys it. Don't risk infection—or re-infection. Use ŌNOX regularly for prevention and treatment. At your druggist.

ŌNOX for ATHLETE'S FOOT

Two Hurt in Crash With Police Machine

In a collision involving a police machine speeding to answer a call and one driven by Orin Hopping, 2809 Jefferson street, Hopping and Thomas Stafford, also of Redwood City, were injured early Sunday morning and the cars were damaged.

Driver of the police car was H. G. Fleishman. As he approached the intersection of Cedar street going north of Main, he saw the machine of Hopping approaching on Cedar. Both drivers swerved their automobiles in an effort to avoid a collision, but couldn't avoid sideswiping, according to the report filed at the police department.

Hopping received a cut over his right eye, a dislocated left shoulder and shock. Stafford had a wrenched right shoulder and back.

$10 Willed Children Of Simon P. Hicks

All of the $7500 estate, with the exception of $10 each left to a son, daughter, two granddaughters and three grandsons, of the late Simon P. Hicks, who died January 17 in San Mateo, was left to his widow, Mary W. Hicks, it was revealed today when a petition for probate of his will was filed in superior court by Mrs. Hicks.

Snow Flakes
they're Oven-Fresh *wherever you buy them*

"Appetizers..." someone says..."that means delicate, flaky, tender Snow Flakes." So many hostesses these days are discovering new uses for Snow Flakes and building reputations for originality!

The secret of the great popularity of Snow Flakes all over the west is the oven-freshness and their crisp, delicate texture. Nearby "Uneeda Bakers" bakeries deliver these appetizing little squares to your grocer soon after they are baked. Double wax-wrappings keep that fresh, crisp texture intact. There's economy in buying Snow Flakes by the large, family-size carton.

OVEN-FRESH *your choice of* 3 CONVENIENT *sized packages*

APPORTIONMENT OF TAXES MADE

Good Condition Shown As $1,098,242.93 Distributed

That financial conditions in San Mateo county are far better than they were a year ago was evidenced today when County Controller Edward M. Stack's semi-annual tax apportionments revealed that, despite a lower rate, collections — consequently apportionments—were much larger than last year.

A total of $1,098,242.93 was collected in the first installment of taxes this year, compared to $1,021,364.69 last year.

Total amount to be raised by taxes this year is $1,775,627. Last year it was $1,651,604. The tax rate this year was $2.049. The previous year it was $2.083. Thus it is seen that much more than half of the anticipated taxes are already paid.

Total amount to be spent in the county this year, as budgeted, is $3,241,230. Much of this, however—$1,992,991—is raised from sources other than county taxes, the state contributing a great deal in the form of school taxes.

The largest apportionment went into the salary fund, $157,098.99 going into county salaries for this period. Last year the total was $147,860.60.

Other county apportionments include:

General Fund	$99,144.24
Community Hospital	83,965.61
Social Service	58,299.92
Relief Home	16,006.55
Unemployment Relief	4,139.63
County Highway Bonds	48,916.77
County Relief Bonds	8,831.20
Budgeted Reserve	16,627.69

Apportionments to special districts include:

Menlo Park Special	$4,832.88
Ravenswood Special	1,577.45
Redwood City Special	15,797.33
Redwood City Building	5,616.83
San Carlos Special	1,633.16
San Carlos Building	788.42
Sequoia High Maint.	56,379.24
Menlo Park School Bonds	1,949.26
Ravenswood School Bonds	2,254.44
Redwood City Schl. Bonds	12,743.52
San Carlos School Bonds	1,948.52
Sequoia High Bonds	22,464.78
Menlo Park Fire	8,838.02
Woodside Fire	4,448.13

Municipal taxes collected were as follows:

Atherton	$14,235.48
Belmont	2,668.53
Menlo Park	4,047.51

Three Women Hurt In Skyline Crash

Three San Francisco women were slightly injured when the car in which they were riding, driven by Horton D. Hammond, 31, of San Francisco, was hit in the rear by the machine of Allan Dalton, 31, also of San Francisco, on the Skyline boulevard near San Francisco Sunday afternoon.

The injured women were Mrs. F. Hughes, Mrs. S. Gibson and Miss Elsie Lewis.

The accident happened, State Highway Patrolman Quinlan reported, when Hammond stopped on the highway to allow another car to turn around and Dalton was unable to avoid crashing into Hammond's machine.

Mathis Trial Set For February 7th In Superior Court

Trial of Jesse Mathis, Palo Alto Veterans' Hospital attendant, on a charge of manslaughter was set for February 7 when he appeared in superior court here Monday afternoon for his preliminary hearing.

He pleaded not guilty to the charge, which grew out of the fatal injuring of A. O. Eager, brakeman, at the Middlefield road crossing south of Redwood City.

Attorney Wayne Millington represented Mathis at the hearing Monday, while Assistant District Attorney Daniel E. Sullivan appeared for the state.

Swart Leaves Entire Estate To His Widow

The 16-year-old will of the late Superior Judge Franklin Swart was filed for probate in the superior court today by Edmund Scott, attorney for Mrs. Adele Swart, the jurist's widow. No estimate of the value of the estate is given.

Leaving to "'my boys' of San Mateo county the sunshine, the smiles, the joys that they have always given me," the late judge bequeathed all his estate to his widow, naming her executrix to act without bonds.

He omitted making provision for his son, Rufus, stating that he knew his "good wife will properly provide and care for 'Rufus.'"

LEGAL

NOTICE OF TRUSTEES' SALE

On Tuesday, the 5th day of February, 1935, at 10:00 o'clock A. M., at the front door of the County Court House in Redwood City, San Mateo County, California, L. A. BEHRENS and E. R. WHITEHEAD, Trustees, will sell at public auction to the highest bidder for cash in lawful money of the United States the following described real property situate in the County of San Mateo, State of California, and known and described as follows, to-wit:

Lot 10 in Block 8 as designated on the map entitled "RESUBDIVISION of BLOCKS 7 AND 8 EASTERN ADDITION TO REDWOOD CITY," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on November 22, 1907, in Liber 5 of Maps at page 45, to which said map and the record thereof reference is hereby made and the same made a part hereof.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by FRANK MARTIN BENITE and DORA MARTIN BENITE, his wife, as trustors, to L. A. BEHRENS and E. R. WHITEHEAD, as trustees for San Mateo County Bank, a corporation, as beneficiary, dated July 29th, 1932, and recorded August 6th, 1932, in Volume 571 of Official Records, at page 251, San Mateo County records; that trustors have made default in the payment of principal and interest on said deed of trust and the promissory note secured thereby and in the payment of taxes on said real property, which default still continues.

Notice of breach of said obligation and election to sell said real property was recorded in the office of said county recorder on August 3rd, 1934, in Volume 624 of Official Records, at page 449, and more than three months from the date of the recording of said notice of default and breach and election to sell have elapsed.

This notice is given in compliance with the demand heretofore made on said trustees by San Mateo County Bank, a corporation.

Dated: January 3rd, 1935.

L. A. BEHRENS,
E. R. WHITEHEAD,
Trustees.

ROSS & ROSS,
Attorneys for Trustees.

THREE NAMED TO STUDY COUNTY COSTS AS GROUP DISCUSSES NEW CHARTER

Strong Opposition to Government Setup in San Mateo County Expressed By Many

Debating whether to repeal the new San Mateo county charter, to amend it or to maintain the status quo, representative peninsulans met in the fire hall in Redwood City Tuesday night and reached accord that certain county reforms are necessary.

No definite procedure, however, was agreed upon, and after various plans were proposed, the session ended with the naming of a committee of three to make a study of costs under the charter and the older form of government.

Mrs. Neenah Lesseman of Redwood City, San Mateo county organizer of Democratic women's clubs, called the gathering together, following a recent meeting of her clubs to discuss the charter situation.

At that time, the clubs instructed Attorney W. H. Morrissey of Redwood City to outline the procedure for repealing the charter.

Mrs. Lesseman reported that this is the first time that the clubs have entered into any problem of less than national importance, and are willing to support some plan for improvement in county government.

ELECTIVE MANAGER

James B. Howell, Atherton, chairman of the former board of freeholders which drafted the charter, said last night that the county government form had been conceived "idealistically and without consideration of the human equation."

He declared the present situation was the "most disgraceful exhibition of political patronage ever seen" and was not due to defects in the charter "but due to the human equation."

Howell revealed that he favors amendments to the charter which would restore the appointive offices to the elective status, and that he would support a plan for an elective manager.

Attorney Wayne Millington, Redwood City, proposed similar amendments, and Attorney George Whitworth, Menlo Park, who earlier had suggested restoration of the qualification board and rentention of appointive officers, said he would favor the elective plan.

Under the elective plan, the offices of coroner and public administrator, county engineer, treasurer, recorder and tax collector would be restored to the people for decision.

In addition, the public would vote on the county manager. The manager would be stripped of his appointive powers and would be a co-ordinating officer similar to Chief Administrator Alfred Cleary of San Francisco.

COSTS HELD ISSUE

Attorney Morrissey, who favors repeal of the charter, said the question to be decided was whether or not the charter was reducing cost of government.

He questioned the necessity of the county manager if he is stripped of his powers.

William Eddy, Burlingame, who declared his belief that the charter "has never had a trial," said he saw no use in a county manager under the elective plan.

George Dunn, Half Moon Bay publisher, spoke in favor of elective officers, and also questioned the need of the county manager if they are restored.

OPPOSES CHARTER

Miss May Daly, Burlingame, who voted against the charter, said she favored repeal. She said she was satisfied with the old system.

William Hohn, Redwood City business man, declared the public favored amending the charter to take away the power of the county executive to fire officials at his "will and whim." He favored an elective manager.

Mark Ryan, member of the former board of freeholders, said he recognized that the charter was not perfect, but that it was "a good document." He blamed the administrators for conditions.

Sam H. Winklebleck, Redwood City publisher, favored return to the people of direct control over major officers and said that repeal of the charter would be a "backward step."

Ray Spangler, South San Francisco editor, blamed the board of supervisors and the county executive jointly for public distrust and urged that attention be given to future candidates for the board.

LEGAL

NOTICE OF TIME APPOINTED FOR PROBATE OF WILL
No. 6689.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

PROBATE

In the Matter of the Estate of EMMA MORRISON, also known as Emma Mouritsen-Hirschman, and also known as ELIZABETH E. WHITE, Deceased.

NOTICE IS HEREBY GIVEN that Monday, the 4th day of February, A. D. 1935, at 10 o'clock A. M. of that day, and the Court Room—Probate Department No. 1—of said Court, at the Court House in Redwood City, in the County of San Mateo, State of California, have been appointed as the time and place for proving the will of Emma Morrison, also known as Emma Mouritsen-Hirschman and also known as Elizabeth E. White, deceased and for hearing the application of Edgar S. Marston for the issuance to him of Letters of Administration with the will annexed.

Arguments After Hallinan Trial Taken By Judge

Arguments by both plaintiff and defense in T. J. Hallinan's damage suit, which was decided in his favor Friday, were heard and taken under submission by Judge Maxwell McNutt Monday.

Attorneys for Hallinan argued that Dr. Kirk H. Prindle, who performed the operation on Hallinan in which formalin instead of novacaine was used for a local anesthetic, should be included in the list of defendants against whom a $12,500 verdict was rendered.

Attorneys for the Mills Memorial Hospital, on the other hand, argued that it should not be included, as it is a charitable institution. Miss Anna McKinnon, nurse, was one of the defendants, with the hospital, against whom the verdict was returned.

John B. Abbott Passes Suddenly In Redwood City

John B. Abbott, 44-year-old painting contractor, passed away suddenly late Monday at his home at 303 Jeter street.

A native of White Bear, Minn., Abbott had lived in this community for the past 10 years.

He is survived by his widow, Mrs. Mabel Abbott; two daughters, Mrs. Nahldene A. McFarland and Malvina E. Abbott; three sons, Edwin M., Jack B. and Cyril L. Abbott; three sisters, Mrs. Edward LaFlamme and Mrs. Walter Haas of Redwood City and Mrs. H. Morriessy of Minneapolis, and three brothers, Milton and Clarence Abbott of St. Paul and Henry Abbott of Auburn.

Kindergarten Opens At North Palo Alto

North Palo Alto established a kindergarten class today in the building at 427 Oak street, North Palo Alto.

Remodeling of the building to make it suitable for school use has been completed. The property is owned by the Ravenswood School District, but the kindergarten is an FERA project.

An enrollment of 20 was expected.

$6000 S. S. F. FIRE

SOUTH SAN FRANCISCO, Jan. 28.—Fire doing damage estimated at $6000 struck the plant of the Marine Chemical Company here last night.

FRIENDLY INDIANS START NEW TRIBE

New Members Taken By Tribe; Another Plans Banquet

Boys of the Garfield school will have the opportunity of participating in the new Friendly Indian tribe which is being set-up there Wednesday afternoon at 3:30 under the leadership of Max Thornton, principal.

This tribe is being formed at the request of a number of boys and parents who live in the vicinity of the school.

Roy A. Hohberger, local secretary of the Young Men's Christian Association, will be present at the meeting to help in the organization. Parents are invited to be present.

BANQUET PLANNED

The Aztec Friendly Indian tribe of Central school is proving to be one of the most active tribes on the peninsula. Under the leadership of Norbert Lambert, the boys have set up their opening ceremony in such a way that they were chosen to represent Redwood City as the honor tribe at the presentation of the sound movie, "Beautiful Camp Yu-Mi-Ci-A," which was given in the McKinley school auditorium recently.

At their meeting on Monday the officers of the tribe presented the assistant officers which they have coached for parts in the ceremony. This ceremony was carried through without an error by the assistant officers.

Secretary Hohberger was present and helped the boys in their practice of the "Friendly Indian Song."

The club is planning a father and son banquet and will put on their ritual at a service the latter part of this month.

FOUR INITIATED

The Sioux Friendly Indians of Lincoln school added four new boys to their membership roll on Monday afternoon. The "palefaces" who applied for membership in the Dakota Sioux were Eddie Dunkle and Alvin Foss Jr., and those for the Assinaboin Sioux were Kenneth Gray and Robert Starrs.

The boys in both tribes started spring baseball practice and are planning to participate in the Friendly Indian league of the Young Men's Christian Association.

Stock Deal Told In Damage Suit Filed in Court

A transaction involving 27 shares of stock that cost $1761.60 but now worth about $140 caused a suit demanding $947.43 cash and half the stock to be filed in superior court here by Frank Marsh against Joseph H. Cunha.

According to the complaint, the two men made an oral agreement March 26, 1928, by which Marsh was to advance the money to buy Transamerica stock. The two were to dive the stock and Cunha was to pay back Marsh $880.80 for his share, the complaint states.

Cunha made the purchase, then refused to transfer Marsh's 13½ shares to him, or to pay his half of the cost, Marsh alleges, paying instead only $3.37 on last February 1.

Lombardi & Minnis are representing the plaintiffs in the suit.

State Again Paying County School Funds

The state of California resumed its payments to counties Monday, and the treasurer's office here received a check for $110,000 as its share of school funds, Treasurer Harry Jenkins announced.

Next month it is expected a double apportionment will be made to the county, as the payment was skipped last month.

Treasurer Jenkins also received a $44,800 check from the state as the county's share of gas taxes for the period just ended.
